Supporting the care of Educational Ambassador raptors and raptors in rehabilitation at the RMRP.

Rocky Mountain Raptor Program

The Rocky Mountain Raptor Program is a 501(c)3 nonprofit organization. We strive to inspire the appreciation and protection of raptors and the spaces where they live through excellence in rehabilitation, education, and research. We are supported by donations from caring people, like you, who want to make a difference in the world.

**REHABILITATION • EDUCATION • RESEARCH**

---

**Rehabilitation Species**

Around 300 raptors are admitted to the RMRP each year. Although we see many species, these are the top 10 most common raptors that are rescued. Please select the species you would like to support through your adoption.

- Great Horned Owl
- Red-tailed Hawk
- Swainson’s Hawk
- American Kestrel
- Cooper’s Hawk
- Common Barn Owl
- Golden Eagle
- Bald Eagle
- Eastern Screech Owl
- Rough-legged Hawk

I want to adopt:

☐ Educational Ambassador Raptor
   Your adoption will help care for one of our hard-working, and very special Educational Ambassador raptors. Please choose your raptor in the Educational Ambassadors section, or go online at www.rmrp.org for a full listing.

☐ Rehabilitation Species
   Your adoption will go toward the care and rehabilitation of one of the many species cared for by the RMRP. Please choose your favorite species in the Rehabilitation Species section.

☐ Raptor of Most Need
   Your adoption will be applied to the raptor that needs your help the most.

Educational Ambassadors

☐ Great Horned Owl
