

# 2020 Calendar Sponsorship

## Who we are:

The Rocky Mountain Raptor Program is a grass-roots nonprofit that has been a part of Northern Colorado since 1987. Over 300 injured birds of prey are rescued, rehabilitated, and released for their Second at Freedom, at a rate close to 85% of treatable cases, from the RMRP annually. Over 200 days of environmental education are provided in our community each year to inspire thousands to conserve our wild creatures and wild spaces. The RMRP has contributed over 30 years of data to many research projects in an effort to learn more about our natural world, and the threats faced by wildlife and humans alike.

**All this is possible—because of you!!**

## We believe:

**Mission:** The Rocky Mountain Raptor Program inspires the appreciation and protection of raptors and the spaces where they live through excellence in rehabilitation, education, and research.

## How YOU can make a difference:

We are seeking sponsors for the 2020 Rocky Mountain Raptor Program Photo Calendar. Each year, this fundraiser helps spread awareness of our mission all over the US, and brightens walls everywhere with amazing images.

Sponsors help get this project off the ground. By sponsoring this calendar, at any level, you are saying, “Yes, I’d like to help save and conserve wildlife!”

There are many different ways to make you a member of our team.

**Your logo  
could be  
front and  
center!**

We hope you will consider becoming a 2020 Calendar Sponsor. You can save raptor lives and enrich human lives: all you have to do is believe in the mission of the RMRP.

Thank you for your time!

With Greatest Gratitude,

Carin Avila  
Executive Director
