

2022 Calendar Sponsorship

Who we are:

The Rocky Mountain Raptor Program is a grass-roots nonprofit that has been a part of Northern Colorado since 1987. Around 300 injured birds of prey are rescued, rehabilitated, and released for their “Second at Freedom”, at a rate close to 80% of treatable cases, from the RMRP annually. Over 240 days of environmental education are provided in our community each year to inspire thousands to conserve our wild creatures and wild spaces. The RMRP has created over 30 years of data that added to many research projects in an effort to learn more about how to preserve our natural world, and identify the threats faced by wildlife and humans alike.

All this is possible—because of you!!

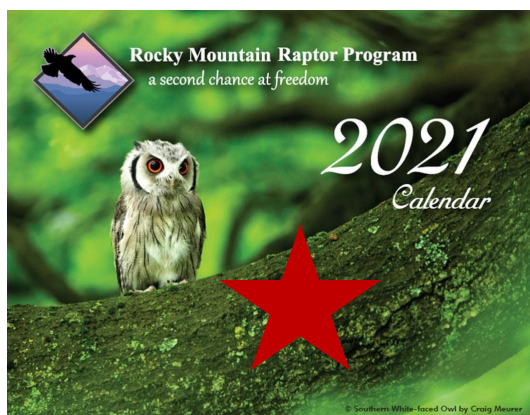

We believe:

Mission: The Rocky Mountain Raptor Program inspires the appreciation and protection of raptors and the spaces where they live through excellence in rehabilitation, education, and research.

How YOU can make a difference:

We are seeking sponsors for the 2022 Rocky Mountain Raptor Program Photo Calendar. Each year, this fundraiser helps spread awareness of our mission all over the US, and brightens walls everywhere with amazing and beautiful images.

Sponsors help get this project off the ground. By sponsoring this calendar, at any level, you are saying, “Yes, I’d like to help save and preserve wildlife!”

Your logo could be front and center!

We hope you will consider becoming a 2022 Calendar Sponsor. Your support will save raptor lives and enrich human lives: all you have to do is believe in the mission of the RMRP.

Thank you for your time!

With Greatest Gratitude,

Carin Avila
Executive Director

Rehabilitation • Education • Research
