30th Annual Gala Dinner and Benefit Auction

February 25, 2023

2023 Auction Item Donations

About The 2023 Gala:

Our 30th Annual Gala and Benefit Auction is back! Live, in-person, and full of exciting new and improved fun, featuring on-line and live bidding for about 75 live and silent auction packages.

As we're planning February's event, we've set the bar high, determined to have our best-ever event to rebound from the past two COVID years when we fell short of revenue projections.

About Us:

The Rocky Mountain Raptor Program is a community nonprofit organization, founded in 1987.

- ❖ Each year, about 300 injured birds of prey are rescued, rehabilitated, and released.
- ❖ Annually we provide more than 200 days of conservation education reaching 50,000 people throughout the region.
- ❖ We contribute to research projects each year that keeps raptors safe on power poles and in the wild.
